## Foreword

The Academy Games has been developed by the members of the Regional Academies of Sport Inc. as an exciting initiative that enables all our athletes to come together - not only to compete against other talented athletes in their chosen fields - but to celebrate sport and the skills and commitment of all our talented athletes.

The 18 hole individual stroke play and individual academy team events will take place on Saturday at Horizons Golf Resort and on Sunday at Charlestown Golf course with 81 golfers from 7 regional academies plus for the first time JNJG Metro team competing across the weekend.

On behalf of all of the Academies, I wish to extend my sincerest thanks to our major partner **Your Local Club** who's continued support allows the academies to do such great work not only for the Games itself, but also throughout our athlete education 12 months of the year. I also thank Jack Newton Junior Golf and the NSW Government through the Office of Sport, your longstanding support is vital to the work that we do right across the state.

Finally and on behalf of all Academies, I wish to extend my thanks to Mark Ingrey from JNJG for organising this event, and to all our supporters and volunteer workers who have facilitated this fabulous event.
