FOREWORD

The Your Local Club Academy Games has been developed by the members of the Regional Academies of Sport Inc. as a competitive pre-elite competition that enables all our athletes to come together - not only to compete against other regional talent in their chosen disciplines but to celebrate sport, skills and the commitment that required to be developing along their chosen pathways.

A total of 10 Academies will compete across 51 games in 2023, all of which would not be possible without the support of our major sponsors Clubs NSW & NSW Government's Office of Sport.

Last but not least a big thank you to all of the travelling athletes, parents, officials, coaches and managers who continually support this great event. Best of luck to everyone on what we know will be another successful Academy Games.
