#AG2023

WELCOME

The Your Local Club Academy Games has been developed by the members of the Regional Academies of Sport Inc. as an exciting initiative that enables all our athletes to come together, not only to compete against other talented athletes in their chosen sports, but to celebrate sport, the skills and commitment of all our talented athletes, coaches and officials.

Netball is one of the strongest of all Academy sports, with 11 Academy squads represented, as well as the Netball NSW Sydney Netball Academy.

The support that RASi has received from our major community partner **Clubs NSW**, and the NSW Government through the Office of Sport continues to be strong and significant, along with the support of the state organisation, Netball NSW. On behalf of all NSW Regional Academies of Sport, I wish to extend my sincere thanks to our supporters, volunteers and the Wagga Wagga community who have facilitated this fabulous event.

SHONA EICHORN
Academy Games Netball Convenor

SEE YOU NEXT YEAR

We hope that you have all enjoyed your time in Wagga Wagga and hope to see you back here next year for another great *Your Local Club Academy Games* on April 12-14, 2024.

Please travel home safely.

From all at the Southern Sports Academy and the Regional Academies of Sport inc. thank you for your participation.

UMPIRES

The Academy Games provide a platform for the development of our aspiring young Netball Umpires.

Under the guidance of Chris Hall and his team from Netball NSW, our Umpires are allocated a series of matches throughout the Games event, designed to enhance their learning and enable their advancement to higher levels of accreditation.

It is imperative that all athletes, staff, family and spectators show respect and regard for our young Umpires. They are here to learn, as are the players and staff, and without them there would be no Games competition.

When not on the court, umpire coaches will be engaged in educational sessions across the weekend delivered by Netball NSW, which is something new and exciting for this program.

Please ensure that you are respectful to all our Umpires and thank them for their efforts.
