WELCOME

Your Local Club Academy Games has been developed by the members of the Regional Academies of Sport Inc. as an exciting initiative that enables all our athletes to come together - not only to compete against other talented athletes in their chosen fields - but to celebrate sport and the skills and commitment of all our talented athletes. The 2025 Your Local Club Academy Games will showcase Netball NSW's best emerging female athletes from across eleven regional academies & Sydney Netball Academy. The Games are an exciting initiative that enables all our athletes to come together - not only to compete against other talented athletes in their chosen sport - but also to celebrate a whole of Academy experience. Clubs NSW have been the principal partner for the Your Local Club Academy Games since its inception, and the RASi is proud to be associated with such a supportive and progressive organisation. The NSW Government, through the Office of Sport, also provides strong support for the Games. Clare Green (FWAS) & Mark Calverley (SSA) - Convenor
